The Clay County Historical Society & Museum appreciates you and the \$1,500 you budget for us yearly. We rely on financial donations and an occasional grant to remain open. We closed in August to renovate part of the museum and update our displays and exhibits, but we hope to reopen in a few weeks. We plan to use the \$1,500 this year to do some roof repairs. We will resume opening soon on Saturdays so that visitors can learn about our history. Each year we invite elementary classes to tour our museum so they can learn about our past. Thank you for helping to keep the museum open. We appreciate the \$1,500 you gave us last year and will use the money this year wisely.

Sincerely,
