

**CITY OF ASHLAND
RESOLUTION #: 07-16-02-2018**

WHEREAS, the City of Ashland plans to apply for various Community Development Block Grants that will benefit predominately low and moderate-income persons in the City of Ashland; and

WHEREAS, in accordance with CDBG regulations the City of Ashland has solicited and received proposals from qualified professional engineering firms to provide application development services and all engineering design and inspection services required to implement all approved CDBG grant projects in accordance with ADECA regulations;

NOW, THEREFORE, be it resolved that the City Council has evaluated the engineering proposals received and have selected Nelson & Company to provide application development services and all engineering design and inspection services required to implement all approved CDBG grant projects in accordance with ADECA regulations; and

THAT, the Ashland City Council authorizes Nelson & Company to begin project development activities and in the event a project is determined feasible, Nelson & Company is authorized to begin developing maps, cost estimates, and all other supporting documentation required upon approval of the City Council. Said development services shall be provided by Nelson & Company at no cost to the City of Ashland and in the event the application is approved by ADECA the Mayor, be and is hereby authorized to enter into a contract with Nelson & Company to provide all engineering services required to implement the above referenced project in accordance with the approved FmHA Engineering fee scale commensurate with the scope of services required to adequately discharge all engineering responsibilities associated with all CDBG funded projects.

READ AND ADOPTED this the **16th** day of **July, 2018**.

Signed for the Ashland City Council:
