Smith, Bobbie J. Steed, Kim M. Cain, and Annette F. Gaither. Council Member Tommy Cantrell and Fire Chief Brett Thompson were absent.

Items discussed included issues with Maintenance equipment. Supervisor Brown advised the limb truck and dump truck have several issues that would cause those vehicles to fail upon a Department of Transportation inspection. Also discussed was the need for a new limb truck for the Maintenance Department. Mayor Fetner advised Council Members that Ingram Equipment Company, LLC has quoted the City of Ashland \$133,573.00 for a 2018 International and a Pac Man loader. Mayor Fetner advised the company has agreed to build the truck and hold it for payment in October of 2018. Mayor Fetner also advised if the Council would make a decision tonight the price would not change, but if the Council decided to wait the price may increase due to demand for these vehicles.
