The Clay County Historical Society & Museum appreciates you and the $1,500 you budget for us yearly. We rely on financial donations and an occasional grant to remain open. We plan to use the $1,500 this year for operating expenses. We are open on Saturdays so that visitors can learn about our history and other times by appointment. Each year we invite elementary classes to tour our museum so they can learn about our past. We had more than 240 visitors sign our guest book last year. During the 250th BIRTHDAY CELEBRATION, more than 189 visitors came to the museum. Thank you for helping to keep the museum open. We appreciate the $1,500 you gave us last year and will use the money this year wisely. Please let me know when the money is released to us this year.

Sincerely,

Dianne Branch
