

Chief Stanford,

My family life seems non-existent and there are more days than not where I do not see my daughter. Along with other issues, me not being present to help raise her is worsening an already not ideal situation. There isn't anything in particular the department has done to make me decide to resign it is strictly a decision I'm making for my family and myself. I thought I could make it two years to regain retirement but I am unable to push forward another year missing the last of my daughter's baby years. I am appreciative for the department bringing someone back in who has already left this career once. Beyond another year I certainly do not have enough left in me to make it all the way to full retirement in the year 2037.

Please accept this letter as my official resignation from the Ashland Police Department. I e already submitted my final payroll sheet including vacation hours for my final check on November 28,2025.

Thank you again for the opportunity to serve with your Department. Feel free to keep in touch as I will always and forever be a friend of Every Law Enforcement Community.

Respectfully,

Jarrod R. Allen
