### ATTENTION

FOR SAFETY OF MAST OPERATION, THE WILL-BURT COMPANY STRONGLY RECOMMENDS THE USE OF THE D-TEC SAFETY SYSTEM IN CONJUNCTION WITH ANY OF ITS TELESCOPING MASTS IN CONDITIONS WHERE OVERHEAD OBSTRUCTIONS OR HIGH VOLTAGE WIRES MAY BE PRESENT. THE D-TEC SAFETY SYSTEM, ALONG WITH ADEQUATE SAFETY TRAINING, CAN SIGNIFICANTLY ENHANCE USER AND BYSTANDER SAFETY, AND HELP PREVENT SERIOUS INJURY OR DEATH AS A RESULT OF ELECTRICAL FIELD PRESENCE. PLEASE CONTACT THE WILL-BURT COMPANY FOR ADDITIONAL INFORMATION.

### Installation, Integration & Service

Will-Burt offers full Installation, Integration and Service for all elevation products. We have multiple service bays backed by a full metal fabrication and paint shop along with a fully trained staff on all Will-Burt, GEROH, and ITS products. Call 330-684-5244 for more information

### **Terms & Conditions**

The contents of this quotation are considered proprietary to The Will-Burt Company; unauthorized distribution or use of this quotation for purposes other than purchase decisions is prohibited.

Although most Will-Burt products are commercial items, some of these items may be subject to certain export restrictions and these items may require government authorization prior to export. For questions regarding export restrictions, please contact your sales person.

Within the validity period of this quote, if the quoted currency should fluctuate +/- 5% or more relative to the US Dollar, Will-Burt reserves the right to withdraw the quotation and offer updated pricing.

All product sales are subject to The Will-Burt Company's standard TERMS AND CONDITIONS OF SALE, which are incorporated herein by reference and can be located at [www.willburt.com](http://www.willburt.com).
