Subject: New Board Members for The Water Work & Sewer Board of the Town of Ashland

Date: 11/3/26

To: Ashland City Council

It is our understanding that Mr. Jerrie Boddie has requested to be removed from the Water Board. We would like to recommend that Mr. Franklin Few be appointed to this position. We feel that he is qualified and looking forward to serve the City of Ashland and the Ashland Water and Sewer Board.

Thanks for your support,
