Dear City of Ashland / HR Department:

It is with a heavy heart that I submit my Letter of Resignation to the City of Ashland, and my last day of work was Monday, November 10, 2025. Due to an unfortunate accident at home, I injured my knee in a manner that requires me to be on medical leave for 3-6 months. As a result, I will be unable to perform the required duties of my position as a Meals-on-Wheels delivery driver.

I have truly enjoyed the short amount of time I have worked with you all, and it is my desire to come back once I am released, IF there is a position open for which I am qualified.

Thank you again for the opportunity to work with the City of Ashland, and I wish everyone much success in the near future

Sincerely,

Jamie A. Brown
