Ashland, Alabama 36251

Dear Larry:

The Exchange Club of Clay County would like to extend an invitation to you, the Ashland City Council members, City Hall employees, and your staff to join us for our 40th Annual Law Enforcement Day celebration. As you know, Law Enforcement Day is an annual event during which we acknowledge the contributions that law enforcement has made to our county.

This year's event is scheduled for noon on Thursday, May 9, 2024, at the Clay County Farmers Market, and should last approximately one hour. We are pleased that Talladega County Probate Judge (and retired Alabama State Trooper) Chad Joiner has agreed to be our speaker. As usual, lunch will be provided for all attendees.

We have sent a similar invitation to the Ashland Police Department. We ask that you also pass this invitation along to the City Council.

If you have any questions, you may contact our Club's president, Dana Travis, at 256.276.4344. We look forward to seeing you at Law Enforcement Day 2024.

Sincerely,

David Franklin
Club Secretary
