Install sewage pump for 1/2 bath	\$7,350.00	1	Service Charge(3%)	\$7,350.00
Subtotal				\$7,350.00
Service Charge(3%)				\$220.50
Total				\$7,570.50

Notes:

Ashland City

City Hall Building

83183 AL-9

Ashland, AL 36251

Estimate to install a sewage pump for a 1/2 bathroom on the northwest corner of the above location. The pump will be located in the storage room west of the electrical room. We will install a septic alarm to sound in the event that this pump fails at some time. There is no electrical work included in this quote. The pump and the alarm will require a 110V electrical receptacle to be accessible for this pump.
