To: Ashland Mayor and City Council

From: Brett Thompson

Please accept this letter as my notice of resignation as Fire Chief of the Ashland Fire Department. Thank you for the opportunity to serve the department as its Chief for the past several years. At this point in my life and career I feel like it is in my best interest to step down from this position. I have informed the fire department that I would remain as a fire department member and help serve our citizens with this vital public service. My official date of resignation is September 30, 2022.

Thank you,
